retreat leader and author of spiritual books for half a century. Michael Casey, OCSO, a monk of Tarrawarra Abbey in Australia has been a popular one that everything happening in our lives is somehow the gift of our loving Father. Also, with grace comes faith, prayer, silence, and revelation to realise classic of the spiritual life shows how there is grace in discontinuity, in desire, even in temptation. Grace is so common that we rarely notice, says Michael Casey. This soon-to-be battles. This book contains a collection of homilies and talks given on such occasions. Anthony Fisher’s years as a bishop have paralleled the era of modern terrorism. On too many occasions he has had to preach at liturgies following fresh acts of terrorism and violence, such as the Lindt Café siege in Sydney, and on the anniversaries of earlier atrocities and military occasions he has had to preach at liturgies following fresh acts of terrorism and violence, such as the Lindt Café siege in Sydney, and on the anniversaries of earlier atrocities and military battles. This book contains a collection of homilies and talks given on such occasions. The deeply moving true story of a religious man who loved his children and tried to protect them knowing his own time was running out.
